

**“AND LET US CONSIDER HOW WE
MAY SPUR ONE ANOTHER ON
TOWARD LOVE AND GOOD DEEDS,
NOT GIVING UP MEETING
TOGETHER, AS SOME ARE IN THE
HABIT OF DOING, BUT
ENCOURAGING ONE ANOTHER—AND
ALL THE MORE AS YOU SEE THE DAY
APPROACHING”**

Hebrews 10:24-25

The bible exhorts us to keep meeting together in light of having direct access to the throne of God by His precious blood. We are admonished to build each other's faith in our meetings that result in love and good works. And besides seeing each other in life groups, we also have our weekend worship service gatherings. We believe in the life-transforming power of Spirit-filled encounters with the Lord. This is why we value cultivating an atmosphere that encourages one another by our crafts and in the way we treat each other.

AWWTEAM

THANK YOU FOR SIGNING UP. WE ARE A TEAM OF CREATIVES THAT WANT TO SERVE GOD WITH OUR TALENTS. WE WELCOME NEW VOLUNTEERS OF ALL SKILL SETS WHO WOULD LOVE TO SERVE IN THIS AREA.

WHO WE ARE

In this ministry, we find various ways of communicating our mission of loving God and people by creating an ethos of faith, hope, and love. We want our worship services and events to have an excellent and Christ-centered sight, sound, and motion experience. We collectively work to make sure that the audio, visuals, and media are presented with clarity for the congregation to reinforce biblical values. We provide technical support for our Worship Team, meeting leaders, and our preachers. We all depend on each other. And we make every effort to encourage one another and to have fun. It is a joy that we all work together with other ministries as one body of Christ. The most important thing is to serve God with all our hearts and to love one another.

WHAT WE DO

We meet on Sunday mornings and our call time is at 9:30am. We rotate our members each week and each member is asked to assist one another. - Troubleshoot and assist Team Members or members of the Worship Team with any technical issues
- Learn and operate media laptop and livestream software
- Learn and operate live sound mixer and assist with sound check
- Learn and operate video/recording equipment
- Research and develop audio/visual and media techniques to enhance production
- Train new volunteers with responsibilities listed above

WHO WE ARE LOOKING FOR

We are looking for those who have skills in audio/visual and media arts. We welcome individuals with a desire to learn a skill set in these areas of all ages. Whether you are a professional or a beginner (no prior experience needed), if you are willing to learn, are dependable, and want to Love God and others by serving them with your gifts, then we would love for you to become part of our team.
